	<i>Description: We would like to apply for a window replacement permit for the address mentioned above. We're replacing (5) single-pane aluminum windows facing the back of the property. The new windows are retrofit replacements, white vinyl, dual-pane CA title 24 complaint glass. (1) garage window, (1) kitchen window, and (3) bedroom windows. The bedroom windows are egress complaint. No new openings, build-ups, or cutdowns will be performed. Therefore, no structural framing, stucco work, or waterproofing will be required. The windows will be installed according to California building codes and regulations. Materials to be used for these retrofit replacements are interior vinyl flat trim, non-expanding insulation foam, stainless steel white head screws, interior and exterior industrial-grade polyurethane caulking.</i>
