<i>Description: The permit is to replace the sewer line underneath Unit 102 located on the ground floor of Building B. The scope of work is to remove the existing kitchen counter tops, sink, faucet, cabinets and appliances, bathroom counter tops, cabinets, sink, faucet, tub, spout and enclosure. Then the plumbers will jack hammer the concrete slab to get to the main sewer line underneath. The contractors will then replace the existing sewer pipe with a new sewer pipe. If we find that additional pipes are damaged, they will be replaced as well. Once the plumbing repair is complete, the contractors will back fill and repair the floor. In addition, we will reinstall a new bathtub and enclosure to code along with piping and tub spout, reinstall the existing kitchen cabinets, counter tops, appliances, sink, faucets and piping if needed. All like-for-like construction. *See attached City of Hayward Kitchen and Bathroom Remodel Handouts.</i>
