

**ANGELA ANDREWS**

**Occupation:** *City Councilwoman/Manager*

For the past four years, I've served our community with integrity and focus on the Hayward City Council. We've invested in housing, revitalized our commercial corridors, and strides in improving public safety. I'm running for re-election to build on our progress in Hayward.

As your Councilmember, I initiated: The Foothill Action Plan for departments coordinated support for Downtown; Catalytic Converter Stamping Program to deter thefts. I supported and advocated for: Mental Health support to enable our police to focus on serious crimes; Climate Action Plan to make our city an environmental leader; Providing recreational opportunities for all Hayward residents, and Initiatives to make housing more affordable, improve tenant protections, and reduce homelessness. Over the next four years, I will continue to work to transform Hayward into a thriving city. Endorsed by Mayor Mark Salinas, Members of City Council, Business Owner Julie McKillop, Building Trades, Sheet Metal Workers Local 104.
