

TOM FERREIRA

Occupation: Emergency Medical Technician

I'm a proud 30-year Hayward resident. After Chabot College, I spent 22 years as a 911 ambulance EMT for Alameda County/Hayward. I have been an ED Tech at Summit Hospital Oakland and Kaiser Dublin for the past 10 years, as well as an essential worker during the pandemic. My wife and I raised our children, 18 and 24, who attended Hayward schools. I'm running for Hayward City Council to advocate for public safety, including safer neighborhoods, streets, and businesses. We need affordable housing for hard-working teachers, first responders, and Hayward families. I strongly support the need to keep our schools open, bring new businesses in to revitalize our downtown, and bring back a family-centered focus. I am a Hayward Chamber of Commerce ambassador, Hayward Rotary member, SEIU-UHW executive board member, and honored to serve as Keep Hayward Clean & Green Task Force Vice Chair. I am proud to have the endorsements of former Hayward City Council members Larry Ratto and Barbara Halliday, as well as numerous concerned citizens. I humbly ask for your vote to make long-overdue positive changes for our city's future. I look forward to working for you, The People.
