Completion of Alameda County District Attorney’s Independent Investigation of Officer Involved Shooting

HAYWARD, Calif., May 21, 2019 —The loss of life of Agustin Gonzalez is a tragedy, and our hearts go out to his family and all those affected. We have received and are reviewing the report by the Alameda County District Attorney’s office, which conducted an independent investigation of the shooting in which our officers were involved on Nov. 15, 2018.

Due to further ongoing investigations, including an investigation by our Internal Affairs Unit, as well as a lawsuit having been filed related to this shooting, we are unable to make any further comment at this time.
