

AUTHORIZATION TO RELEASE PRE-APPROVED PLAN SET

Development Services Department
Building Division

Pre-Approved ADU Plan Set Name: _____

Project Description: _____

Architectural drawings are copyright protected by State and Federal law. Once pre-approved, your detached ADU plans will require site specific drawings before they may be used to construct an ADU in Hayward.

As the copyright holder of your pre-approved ADU plan set, you may elect to prepare any required site specific drawings yourself. Alternatively, once sold to a property owner, you may release your pre-approved plans to be included within a site specific plan set prepared by another design professional.

Please indicate your authorization as follows:

- I release the above-referenced pre-approved plans to be included in a site specific plan set that is prepared by another design professional.
- I DO NOT release the above-referenced pre-approved plans to be included in a site specific plan set that is prepared by another design professional. Any site specific plans required by the City of Hayward must be prepared by the below signed copyright holder.
