Hayward deserves better; together, we can make it happen. I'm Tom Wong, running for City Council to bring real positive change to our community. Are you tired of feeling unsafe in your own neighborhood? Frustrated by unchecked crime and dangerous sidseshows that threaten our safety every day? Concerned about the growing homelessness crisis that demands urgent attention? So am I – and I have the experience and determination to tackle these pressing issues head-on. With 30 years in private security, five years in public safety, a criminal justice degree, and as the owner of a safety training facility and a private security company. I'm offering concrete solutions to strengthen our police force, implement a zero-tolerance policy on sidseshows, provide comprehensive support for the unhoused, and expand effective drug treatment programs. My approach combines tough action on crime with compassion for those in need. I'll ensure every Hayward resident's voice is heard and respected. This election is your chance to vote for real change: experience leadership, practical solutions, and a safer Hayward. Vote Tom Wong for Hayward City Council.
