Subject: FIRE STATIONS 1-5 IMPROVEMENTS
HAYWARD, CALIFORNIA
Substitution of Subcontractor

Mr. Dave Hung:

Pursuant to Section 4107 of the California Government code, Arntz Builders hereby requests that the City of Hayward herein authorize and consent to the substitution of Cal Pacific Systems for DAL Technology, the listed Electrical Subcontractor on the above-named project.

Arntz Builders bid listed DAL Technology as the Subcontractor to perform the Electrical work because Arntz Builders had accepted the said Subcontractor's bid to do subcontract work for this project.

The facts and reasons for this request are that DAL Technology is substantially delaying or disrupting the progress of the work. For the foregoing reasons, Arntz Builders respectfully submits that Government Code 4107 authorizes substitution of Subcontractor on this project. Cal Pacific has stated its willingness and intention to perform said contract work.

Sincerely,

ARNTZ BUILDERS
