

KEEP HAYWARD CLEAN AND GREEN

SOCIAL DISTANCED LITTER PICK UP SAFETY SHEET

To protect your health and slow the spread of COVID, please follow the most recent guidance from the Centers for Disease Control, available here: <https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/prevention.html>

Stay safe while doing your part to make Hayward a more beautiful place to live, work, and play. Follow these important safety tips at all times:

TRAFFIC

When you are near the street, watch

for vehicles at all times.

Always look both ways before crossing the street and be sure to eliminate distractions (put your phone down!) before attempting to cross. Stay out of the medians.

RAILROADS

Stay at least 10 ft. from the tracks. Stay on the railroad side of the curb as much as possible. Freight trains are fast & frequent!

TICKS

When you return home, check every part of your skin for ticks, especially your ankles, arms, and around the neck.

DEAD ANIMALS

Do not pick up or touch any dead rodents or animals.

POISON OAK

Watch out for poison oak! It can be green or red and always has three leaves.

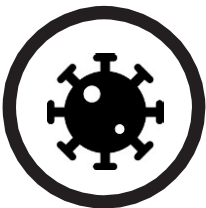

HAZARDOUS MATERIALS

Do not pick up any of the following:

- Drugs
- Syringes/needles
- Chemicals/alcohol/containers containing liquid

For drugs/syringes or hazardous materials, report the location via Access Hayward.

COVID In addition to the CDC guidelines, the City of Hayward recommends the following practices for cleaning up litter and other debris:

- Use personal protective equipment. This should include trash bags, gloves, face mask, a trash grabber or tongs, sun protection, and close-toed shoes.
- Avoid touching your face.
- Maintain social distance of at least 6 feet from everyone you encounter, even if you are wearing a mask.
- You may find used PPE among litter. Do not pick up any PPE without a grabber.
- When you are done, wash your hands thoroughly as soon as possible, and use hand sanitizer in the meantime if soap and water are unavailable.

THANK YOU FOR HELPING TO KEEP HAYWARD CLEAN AND GREEN.
