

**RAY BONILLA JR**

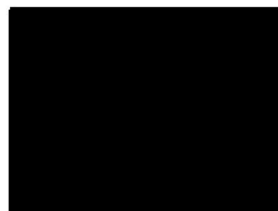

Occupation: Appointed Hayward Councilmember

As your councilmember, I am running to be elected to serve our beautiful City of Hayward. Born, raised, and educated here, I attended Hayward public schools, from K-12, and our very own Cal State East Bay. These experiences have fostered a deep-rooted connection to our community.

I've dedicated over 20 years serving my hometown. I've devoted myself to public service on the Hayward Youth Commission, Hayward Community Services Commission, Hayward Planning Commission, and presently on the Hayward City Council. I have gained a comprehensive understanding of our city's pressing needs, challenges, and community-centric solutions.

My priorities are clear -- enhance public safety, increase affordable housing, address homelessness, revitalize our economy, and expand community services. I have a track record of consistently collaborating with stakeholders to effect real, meaningful changes. Together, we can advance Hayward as a safe, resilient, thriving community that everyone is proud to call home. I humbly ask for your vote.

I am honored to have earned the endorsements of the entire Hayward City Council, Hayward Firefighters IAFF Local 1909, Alameda County Supervisor Elisa Márquez, Building & Construction Trades Council of Alameda County, and Equality California.
