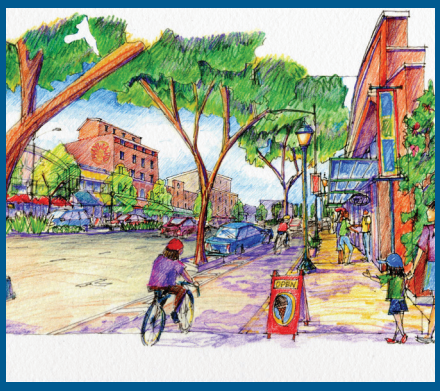
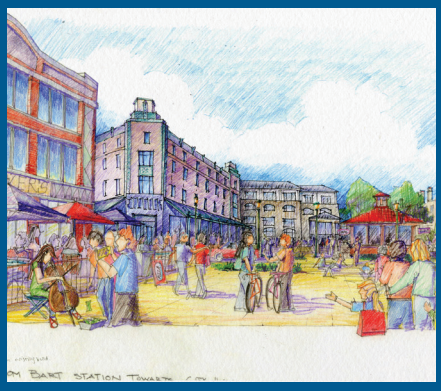
9:00 am - Noon

WHERE:

Hayward City Hall Rotunda
777 B Street
Hayward, CA 94541





Attend our Open House on the Public Hearing Draft Plan and Zoning Code!

Downtown Specific Plan Overview

We'd love to hear from you! Please join us at an Open House to discuss the Downtown Specific Plan which provides a strategy to achieve the community's vision of a resilient, safe, attractive, and vibrant historic Downtown, through an inclusive, multi-modal circulation system, integrating public open spaces, and establishing new regulations that clearly establish Downtown Hayward as the heart of the City. This open house is your chance to meet with City staff and the consultant team to share you view on the draft document. The Rotunda will have various stations set up to discuss the many aspects of the Plan and Code like Mobility, Community Design, Infrastructure, and Implementation and Financing of programs anticipated to be carried out in the Plan area. Your voice has never been more important in making sure the new Plan for Downtown includes what all resident want long-tern in Downtown Hayward!!!

The Plan, once adopted, will guide initiatives and investments that capitalize on the City's unique assets, such as its central location in the Bay Area, its proximity to educational institutions, the Downtown Hayward Bay Area Rapid Transit (BART) station, the beautiful parks, creek and public gardens, the compact street grid, the historic buildings, and the extensive public art. The Plan Area encompasses 320 acres bounded loosely to the west by Grand Street, south by E Street, east by 3rd Street, and north by Hazel Avenue.

For more information regarding the Open House event, please contact **Damon Golubics**, Senior Planner
