MEMORANDUM OF UNDERSTANDING

between

CITY OF HAYWARD

and

SERVICE EMPLOYEES INTERNATIONAL, LOCAL 1021 CLERICAL AND RELATED UNIT

On the date hereinafter subscribed, authorized representatives of the City of Hayward, herein called "City" and authorized representatives of the Service Employees International Union Local 1021, herein called "Union", made and entered into this Memorandum of Understanding. It is understood and agreed that this Memorandum of Understanding supersedes and replaces the previous Memorandum of Understanding and any side letters entered into by and between the City of Hayward and Service Employees International, Local 1021, as well as the Imposed Terms.

This Memorandum of Understanding is subject to all applicable Federal laws, State laws and the Charter of the City of Hayward; and all ordinances, resolutions, Administrative Rules and Personnel Rules of the City except as expressly provided to the contrary by this Memorandum of Understanding.

1.00 RECOGNITION, DISCRIMINATION, AND UNION ACTIVITIES

1.01 Recognition

Effective 2007, SEIU restructured its local union affiliates and SEIU Local 790 merged into SEIU Local 1021. The City has recognized Local 1021 as the majority representative for this Clerical and Related Unit of employees. The Union has agreed to indemnify the City in the event of claims arising against the City as a result of City recognition of Local 1021. During the term of this Memorandum of Understanding, SEIU agrees to indemnify, defend, and hold the City of Hayward and its agents harmless against any claims made of any nature and against any suit instituted against the City of Hayward arising from this agreement and/or the City's recognition of Local 1021. The City agrees that, prior to retaining private counsel, the City will consult with the local union's counsel about (1) whether the City can be defended by union's counsel, (2) whether proposed private counsel has a conflict of interest with the local union or its predecessor, and (3) the costs of retaining the proposed private counsel.

The City recognizes the employee classifications subject to this Memorandum of Understanding and represented by, SEIU Local 1021, as being comprised of the classifications listed in Appendix A of the Memorandum of Understanding and any classifications of employment (excluding those positions assigned to the Confidential Unit) which may hereafter be by the City Manager or designee in accordance with the provisions of the City of Hayward Personnel Rules governing unit determination and modification.

1.02 Personnel Commission Agendas

Prior to placement on a Personnel Commission Agenda, the City will notify the Union of any proposed title change, or creation, modification or deletion of a classification assigned to the Clerical and Related or Confidential represented unit.

1.03 Union Security

A. Maintenance of Membership

The City agrees to deduct one (1) month's current and periodic union dues from the pay of each employee who has on file with the City a currently effective payroll deduction authorization for this purpose or who shall hereafter voluntarily execute and deliver to the City the payroll deduction authorization provided by the Union and approved by the City for this purpose.

B. Agency Shop

The parties hereto recognize that membership in the Union is not compulsory, that employees have the right to join, not join, maintain, or drop their membership in the Union, and that neither party shall exert any pressure on nor discriminate against an employee regarding such matters. The Union agrees it is obligated to represent all of the employees in the Unit fairly and equally, without regard to whether or not an employee is a member of the Union.

Therefore:

- a. Any employee who is not a member of the Union shall, either become and remain a member in good standing in the Union; or execute a payroll deduction authorization form and thereby pay to the Union an initial fee not to exceed the standard initiation fee required as a condition of acquiring membership in the Union and, thereafter, a monthly service fee not to exceed the monthly dues uniformly required as a condition of retaining membership in the Union. As an exception to the foregoing, any employee who has a personal or moral objection to joining or financially supporting public employee organizations shall execute a payroll deduction authorization and thereby pay sums equal to the standard initiation fee required as a condition of acquiring membership in the Union and the monthly service to a charitable organization outlined in Appendix B.. If an employee who is paying a monthly service fee to any of the charitable organizations listed in Appendix B requests the Union to use on the employee's behalf the grievance arbitration procedure contained in this Memorandum of Understanding, the Union is authorized to charge the employee for the reasonable cost of using such procedure.
- b. Any new employee shall, within thirty (30) calendar days of his or her employment either become a member in good standing in the Union or execute a payroll deduction authorization form and thereby pay to the Union an initial fee not to exceed the standard initiation fee required as a condition of acquiring membership in the Union and, thereafter, pay to the Union a

monthly service fee not to exceed the monthly dues uniformly required as a condition of retaining membership in the Union.

As an exception to the foregoing, an employee who certifies he or she is a member of a bona fide religion, body or sect which has historically held conscientious objections to joining or financially supporting public employee organizations, shall execute a payroll deduction authorization form and thereby pay sums equal to the standard initiation fee required as a condition of acquiring membership in the Union and the monthly service fee provided above to a charitable organization listed in Appendix B..

Appendix B can be changed by mutual agreement of the Union and the City during the terms of the agreement without requiring a re-opener of the entire contract.

C. Deductions

The employee's earnings must be regularly sufficient after other legal and required deductions are made to cover the amount of the dues or service fees authorized. When an employee is in an unpaid status for an entire pay period, no withholding will be made to cover the pay period from future earnings. In the case of an employee who is in an unpaid status during only part of the pay period, and the salary is not sufficient to cover the full withholding, no deduction shall be made. In this connection, all other legal and required deductions have priority over union dues.

The Executive Secretary of Service Employees International Union, Local 1021 shall notify the Director of Finance in writing as to the amount of such dues uniformly required of all members of the Union.

Section 1.03 does not apply to the Confidential Unit.

Monies withheld by the City shall be transmitted to the Officer designated in writing by the Executive Secretary of the Union as a person authorized to receive such funds, at the address specified.

Upon seven (7) days' notice to the City from the Union that an employee described above has failed to maintain his or her membership in good standing or has failed to maintain a current service fee payment or has failed to maintain a current charitable contribution payment to one of the charitable organizations listed in Appendix B, then the City shall (1) counsel the employee of his or her obligation under the provision, and (2) inform the employee that further failure to maintain the appropriate payments shall subject employee to discharge.

The City shall furnish the Union, on a monthly basis, the name, date of hire, salary classification and work location of all newly hired employees subject to this Agreement, along with verification of monthly transmittals to any charitable organizations.

D. Indemnification

Service Employees International Union, Local 1021 shall indemnify, defend, and hold harmless the City of Hayward, its officers, employees and agents acting on its behalf from and against any and all losses, damages, costs, expenses, claims, demands, actions, suits, judgments and other forms of liability arising out of the application or enforcement of this Section. The Union shall provide legal representation to the City at the Union expense. If the City instead chooses to select and utilize attorneys of its choice, the Union and the City shall evenly split the costs of the legal representation, but this will not change liability with respect to the outcome of litigation.

1.04 COPE Deduction

Upon receipt of the appropriate form generated by the Union, the City shall deduct designated amounts to be contributed to the Union's political action committee (COPE) through payroll deduction.

1.05 Communicating with Employees

The Union shall be allowed to use designated portions of bulletin boards, electronic media, or display areas in public sections of City buildings or in public portions of offices in which there are employees represented by the Union, provided the communications displayed relate to official organizational business, such as times and places of meetings and further provide that the Union appropriately posts and removes the information. This privilege may be revoked in the event of abuse after the City Manager notifies the representatives of the Union. Solicitation for membership or other internal employee organization business shall be conducted during the non-duty hours of all employees concerned.

1.06 Use of City Buildings

The Union shall be allowed the use of areas normally used for meeting purposes for meetings of City employees when:

1. Such space is available and its use by the Union is scheduled at least twenty-four (24) hours in advance;
2. Such use of the available space does not interfere with normal City operations;
3. The meetings are on matters within the scope of representation.

2.00 PROBATIONARY PERIOD

2.01 Appointments Subject to Probationary Period

All employees who are identified in Appendix A as being members of the classified service shall be subject to a probationary period as provided in this Section. The probationary period shall be regarded as part of the selection process and shall be utilized for closely observing the employees work and for securing the most effective adjustment of a new employee to his or her position.

2.02 New Hire Probationary Period

All appointments (other than temporary and provisional appointments) to full-time positions in the classified service and appointments to part-time positions regularly scheduled to work twenty (20) or more hours per week shall be subject to a probationary period. The regular period of probation shall be twelve (12) months. In the event there is a certification required for the position, the probationary period may be extended by the same time period as the time period established in the applicable job description to obtain the certification.

2.03 Promotional Probationary Period

All employees promoted to a higher position through either a competitive recruitment process or reclassification shall be subject to a probationary period. The regular period of probation shall be six (6) months. In the event there is a certification required for the position, the probationary period may be extended by the same time period as the time period established in the applicable job description to obtain the certification.

An employee promoted to a higher position, who at the time of promotion, is serving in such position in acting or provisional status may have up to six (6) months of consecutive time served in acting or provisional capacity credited towards satisfaction of the probationary period for the promotional position. Actual time credited shall be determined by the City Manager or designee.

2.04 Release of Probationer

During the probationary period, an employee in the classified service may be released at any time without right of appeal. Written notice of release designating the effective date of such action shall be furnished to the probationer. Persons employed in a part-time position scheduled for less than twenty (20) hours per week are excluded from the classified service and may be released at any time without right of appeal. However, an employee may make a record for inclusion in the employee's personnel file of the employee's reason, if any, for objecting to being released from probation.

2.05 Release Following Promotion

Any employee in the classified service may be released during the probationary period following promotion to another position in the classified service. The employee released shall be reinstated to his or her former position or a position in the class from which he or she was promoted unless the reason for release is cause for dismissal. The employee will be reinstated to the salary step held before the promotion. If no vacancy exists in the former class, the employee with the least amount of time in this class shall be demoted to the most recent class in which he or she has satisfactorily served. If any employee is released by such action the employee shall be placed on a reemployment register for the classification from which released.

Release from probation is not appealable except as stated below. First, an employee may make a record for inclusion in the employee's personnel file of the employee's reason, if any, for objecting to being released from probation. Second, any employee who is released during a promotional probationary period, whose release is cause for

dismissal, shall retain appeal rights to dismissal from City employment, but not the right to appeal his or her release from the position from which the employee was demoted.

In the event that:

- a. An employee is involuntarily reclassified to a higher position in this unit;
- b. The employee's prior job classification is eliminated by the City;
- c. The employee is unable to bump to another previously held City classification as provided for in Section 3.00, and;
- d. The employee fails the probationary period for the reclassified higher position.

Then, the employee shall have for cause appeal rights under Section 15.04.

2.06 Effect of Leaves on Probationary Period

Periods of time on paid or unpaid leave of two (2) weeks or more shall automatically extend the probationary period of any employee on probation. The length of the extension shall be equal to the length of the individual's placement on paid or unpaid leave.

2.07 Effective Date of Regular Status

Upon attaining regular status as a full-time employee or as a regular part-time employee, the effective date of the appointment shall revert to the date of initial probationary employment.

3.00 LAYOFFS & RESIGNATIONS

3.01 Layoffs

Whenever there is a lack of work or a lack of funds requiring reduction in personnel in a department or division of the City government, the required layoffs shall be made in such job classification(s) set forth in the Classification Plan of the City of Hayward as the Department Director may designate in accordance with the following procedures. Vacant positions which are affected by proposed staff reductions will not be filled prior to the implementation of layoff activity.

- A. Employees shall be laid off in inverse order of their length of service within the affected job classification.
 1. Length of service for the purpose of this Section 3.01 shall mean an employee's continuous uninterrupted service within a classification from the effective date of appointment as a probationary or part-time employee in that classification.

2. An interruption in length of service within a classification shall occur as a result of any one of the following:
 - a. Discharge for cause
 - b. Voluntary resignation
 - c. Retirement for service or disability
 - d. Absence from work for thirty-six (36) consecutive months because of layoff
 - e. Failure to return from layoff as provided in Section 3.02
 - f. Failure to return from an approved leave of absence upon the date specified for return at the time said approval was granted.

Provisional and acting appointments to a classification shall not be construed as service in such classification unless such provisional or acting appointment was contiguous with appointment to such classification in a probationary or part-time status.

3. Whenever the effective date of appointment to a classification is the same for two or more employees, the original date of hire as a probationary or part-time employee with the City shall be used to determine which employee has greater length of service within the classification. The employee with the earlier original date of hire with the City shall be considered to have the greater length of service within the classification in this situation.

- B. Within each affected job classification all provisional employees shall be laid off before probationary employees and all probationary employees shall be laid off before any regular employees provided, however, that part-time employees whose length of service is less than any probationary or regular employee shall be laid off before such probationary or regular employee. Thereafter, if additional reductions in personnel are required, those employees with the least length of service within the affected classification shall be laid off. Any temporary hire assigned to a budgeted position in a classification where layoffs are required, will be laid off prior to the layoff of a regular or probationary employee in that classification.

Furthermore, the City will request laid off employees to complete a form indicating those City jobs for which they are qualified and which they are willing to perform. When temporary assignments become available in positions indicated, Department Directors and managers will evaluate the employees' qualifications for the job and hire into temporary assignments those individuals deemed suitable. If during a period of such temporary employment a vacancy occurs in which an employee has rights of recall, the provisions of Section 3.01 and 3.02 of the MOU will apply.

- C. As an alternative to layoff, an employee with regular, probationary, or part-time status who is displaced from his or her classification in accordance with the procedures provided in paragraphs (A) and (B) of this Section shall be allowed to bump to a classification at the same salary level or to a classification at the next lower salary level provided the classification to which he or she bumped is one (1) in which he or she has previously served in a regular, probationary, or part-time status and where the original date of appointment to said classification, as defined in Section 3.01 predates that of at least one employee presently serving therein. As an exception to the foregoing, an employee may bump into a classification previously held and where his or her original date of appointment to that classification predates that of at least one (1) employee presently serving therein and where said classification carries a higher

salary level only if such higher salary level resulted solely from the application of an equity salary adjustment.

1. Bumping rights afforded an employee pursuant to this Section shall include access to those classifications in which an employee has previously served but which may since have been retitled but where, as determined by the City, no substantive changes have been made in the duties or qualifications for the classification(s) in question. Such determination by the City shall be subject to the grievance procedure of this Memorandum of Understanding.
 2. Prior to employees being laid off, the City shall post on official bulletin boards and provide the Union with status registers for all affected classifications within the representation unit. Said lists shall include the names of all present employees who have held these classifications and their appointment dates thereto.
 3. An employee eligible to bump into another classification pursuant to this paragraph (C) shall have five (5) calendar days after notice of assignment by the City Manager to a position in that classification in which to accept such assignment. If the affected employee fails to accept such assignment within said five (5) calendar day period, the employee shall be laid off. An employee so assigned shall be placed at a salary step in the range for the classification to which he or she bumps which is closest to the employee's former rate of pay but which does not exceed the salary step held by the employee in the classification from which displaced.
 4. In the event an employee bumps to an occupied or vacant position that is "flexibly" staffed as reflected in the Positions and Salaries Resolution, assignment to said position shall be at the level which the employee previously held.
 5. An employee who is bumped into a lower classification previously held shall have the choice to bump into a position in his or her current division held by a less senior employee or bump into a vacant position in the same classification elsewhere in the City.
- D. When employees are scheduled for layoff by the City, the affected employee and the Union will be given at least two (2) weeks' notice if possible. The City shall attempt, in so far as is possible, to accomplish any contemplated reduction in personnel by attrition rather than by layoff.

When an employee slated for layoff possesses the qualifications for another class in which there exists an opening and for which there is no eligible list, the City will consider the provisional appointment of the employee to the alternate position pending completion of a recruitment and testing process. An employee provisionally appointed under this provision may compete with other applicants for that position.

- E. In the event employees are scheduled to be laid off, other employees with greater length of service within the same classification may elect to be laid off in lieu of those employees scheduled for such layoff. Employees laid off shall be placed on a reemployment register for the period of two (2) years for the classification held at time of layoff.

3.02 Rights of Return

As position vacancies occur, employees on layoff and those occupying positions to which they have bumped shall be afforded return rights in the order of their length of service in the classification(s) in which such vacancies occur.

- A. An employee shall have ten (10) calendar days from the mailing by certified mail of a notice of return to the address of record on file in the Human Resources Department to indicate acceptance of such return and his or her agreement to report for work as specified in the notice.
- B. Employees in layoff status shall retain all credited sick leave earned but unused at the time of layoff. An employee on layoff shall not earn vacation leave credit while in layoff status. Upon an employee's return from layoff he or she shall be credited with proportionate vacation leave for the balance of the calendar year. The amount of such credit shall be based upon continuous uninterrupted service with the City including time spent in layoff status. Use of vacation leave so credited shall be subject to the provisions of Section 12.02 of this Memorandum of Understanding.
- C. Employees who are displaced from their classifications by virtue of layoff shall be placed on a reemployment register for the classification they held at the time the layoff occurred, hereinafter referred to as the "primary" register. They shall also be placed on reemployment registers for classifications previously served in, hereinafter referred to as "secondary" registers. If an employee fails to respond to such notice of return within the prescribed time period or declines to return from layoff to a secondary register classification his or her name shall be removed from said secondary register and employee shall no longer be eligible for recall to that classification. If an employee fails to respond to notice of return within the prescribed time period or declines return to the primary register classification employee will be considered to have voluntarily resigned employment with the City.
- D. Primary and secondary reemployment registers shall be valid for a period of two (2) years.

4.00 WORK SCHEDULES - OVERTIME

4.01 Work Schedules

The normal work week for all full-time employees shall consist of forty (40) hours during each seven (7) day work period.

For payroll purposes, the City's work week shall commence at 12:00 a.m. on Monday and end at 11:59 p.m. on Sunday, except that the work week for employees on Alternate Work Schedules may be modified based on individual schedules to accommodate forty (40) hours in a seven (7) day work period. The City reserves the right to implement business closures during the calendar week in which the Thanksgiving holiday is observed and on those days between the City's observance of Christmas and New Year's Day.

If the City exercises the right to implement business closures during these times, employees will be permitted to use available accrued vacation, compensatory time off, and/or work upon prior notification to their supervisor. Employees who do not have sufficient leave balances for the entire period will be in an unpaid status. No leave balances will be advanced.

4.02 Overtime Work

Employees eligible to receive overtime compensation, as determined under the provisions of the Fair Labor Standards Act, shall receive overtime for work performed in excess of forty (40) hours per week. All hours paid shall be counted toward the 40-hour threshold for purposes of determining if an employee is entitled to receive overtime compensation with the exception of sick leave. In the event of mandatory overtime, sick leave hours will be counted toward the forty (40) hour threshold. Overtime work shall be recognized only when directly ordered or required by the Department Director or a designated representative. No employee may work overtime without receiving the approval of the appropriate supervisor prior to performing the work. Working overtime without advance approval is grounds for discipline.

4.03 Compensation for Overtime Work

Overtime work shall be compensated by pay at the rate of time-and-one-half (1.5) of regular rate of pay. An employee may opt to accrue compensatory time off in lieu of cash payment for overtime worked. The accrual rate of compensatory time shall be one-and-one-half (1.5) hours for every hour of overtime worked.

At any time, employees, in their sole discretion may accumulate up to a maximum of one hundred and twenty (120) hours of compensatory time maintained on a continuous per pay period basis. Thereafter, the City will compensate employees with overtime pay for all hours of overtime worked beyond the one hundred and twenty (120) hour limit.

Employees may request, and subject to approval of the Department Director or his or her designee, use of compensatory time off up to the maximum allowable pursuant to this Section.

4.04 Call-Back Pay

7.00 BENEFIT PLANS

The City currently contracts with the California Public Employees' Retirement System (CalPERS) for the purpose of providing medical insurance benefits for active employees and their eligible dependents, eligible retired employees, and eligible survivors of retired employees. Eligibility of a dependent to participate in this program shall be in accordance with the terms of the Public Employees' Medical and Hospital Care Act (PEMHCA). Eligibility of retired employees and survivors of retired employees to participate in this program shall be in accordance with those provisions of PEMHCA providing for participation by annuitants.

The City's employer contribution towards medical insurance benefits for each eligible employee shall be the minimum contribution amount required by Government Code Section 22892. Contributions provided under this Section are required only to the extent mandated by PEMHCA.

During the calendar year 2015, the City will provide an employer contribution of \$122 per month to CalPERS for each eligible active employee towards the purchase of medical insurance benefits.

In the event CalPERS requires a minimum employer payment in excess of the amount recited above, the City shall pay additional amounts, as approved by Council. Because CalPERS may change carriers and plans, the City shall not be required to provide a specific insurance coverage and shall only be required to provide those benefits as described in this Section so long as the City contracts for benefits with CalPERS for medical insurance benefits.

The City will provide each eligible annuitant, as defined by the PEMHCA, with an employer contribution provided to an active employee under this section 7.01.

7.02 Flexible Benefits Allowance

The City shall provide a contribution to the City's flexible benefits plan (125 plan) for each full-time employee in regular or probationary status who is enrolled in one of the CalPERS medical insurance plans offered by the City. Employees can use this contribution to offset the cost of benefits purchased through the plan. The value of any flexible benefit allowance provided by the City under this Section shall be determined as follows:

- A. Effective the pay period that includes July 1, 2015, the allowance provided to an eligible employee shall be equal to one hundred percent (100%) of the premium cost for health insurance coverage based on the employee's plan selection and participation level eligibility (e.g., Employee only coverage, Employee +1 coverage, or Employee +2 coverage), less the amount of any contribution provided under Section 7.01 above. The City's maximum contribution under this section shall not exceed the cost of one hundred percent (100%) of the Bay Area Kaiser benefit plan as determined by the employee's participation level, less the City's contribution towards medical benefits under PEMHCA, except that, in no event shall the sum of the City's contribution pursuant to the provisions of Section 7.01 and 7.02 of this Memorandum of Understanding exceed one hundred percent (100%) of the premium cost for the CalPERS medical insurance plan in which the employee is enrolled.
- B. The City shall continue to provide Flexible Benefit Allowance as provided in this Section unless amended or repealed by the City Council.
- C. Contributions to an employee's Flexible Benefits Account shall be used only for payment of those benefits that are available through the City's Flexible Benefit Plan.

The City will not treat any contributions made to the Flexible Benefits Plan as compensation subject to income tax withholding unless the Internal Revenue Service and/or the Franchise Tax Board indicates that such contributions are taxable income subject to withholding. Each employee shall be solely and personally responsible for any Federal, State, or local tax liability of the employee that may arise out of the implementation of this section or any penalty that may be imposed therefore.

- D. Each employee shall file an election in writing during the month of open enrollment for medical insurance each year designating how the contributions in his or her Flexible Benefit Account are to be spent during the ensuing year. Thereafter, no changes to designations so made shall be allowed until the enrollment of the following year, except for changes due to an eligible qualifying event.
- E. Each employee shall be responsible for providing immediate written notice to the Human Resources Director or designee any change to the number of his or her dependents which would affect the amount of the City's payment to the Flexible Benefits Account. An employee who, by reason of failing to report a change in dependents, receives a City payment greater than the amount to which he or she is entitled, shall be liable for refunding the excess amounts received via a reduction in the amount paid to employee's Flexible Benefits Account in subsequent months.

Changes to flexible benefit contributions associated with changes in an employee's number of dependents shall take effect at the start of the first pay period in the month following the month in which notice of the changes is received by the Human Resources Department. No retroactive increases to the Flexible Benefit Allowance provided by the City shall be allowed.

7.03 Federal or State Health Plan

If, pursuant to any Federal or State law including, but not limited to the Patient Protection and Affordable Care Act, which may become effective subsequent to the effective date of this Memorandum of Understanding, the City is required to pay contributions or taxes for hospital-medical, dental care, prescription drug, or other health benefits to be provided to employees under such Federal or State act, the City's obligation to furnish the same benefits under the Hospital Medical-Surgical-Dental Care and Prescription Drug Plans shall be suspended and the contributions agreed to be paid monthly hereunder by the City under Sections 7.01, 7.02 and 7.06 of this Memorandum of Understanding shall be reduced each month by the amounts which the City is required to expend during any such month in the form of contributions or taxes to support said Federal or State health plan.

If, as a result of such a law, the level of benefits provided by such law for any group of employees, or their dependents, is lower in certain categories of services than those provided under Sections 7.01, 7.02, and 7.06, the City shall, to the extent practicable, provide a plan of benefits supplementary to the Federal or State benefits so as to make benefits in each category of coverage as nearly comparable as possible to the benefits provided under said Sections 7.01, 7.02, and 7.06. The City need only expend for this purpose the actual amount required to achieve parity between the benefits agreed to be provided under Sections 7.01, 7.02, and 7.06 and the benefits provided under any Federal or State plan as supplemented in the manner hereinabove described.

If the benefits provided under the Federal or State act exceed the benefits provided hereunder in each category of coverage, the City shall be under no further obligation to make any contribution in pursuance of this Section.

In the event that the Federal or State government enacts a health care program requiring contributions by employees, such employee contribution shall be reimbursed by the City to the amount by which said employee contribution reduces the City contribution required under this Section of the Memorandum of Understanding.

7.04 Alternate Benefits

- A. An alternative benefit in the form of a cash payment is available to those full-time employees in regular or probationary status who: (1) elect to opt-out of receiving City contributions under Section 7.01 and 7.02; (2) are not enrolled in a City-sponsored health insurance plan as the dependent of another City employee; and (3) provide proof of medical insurance coverage from a plan other than a City-sponsored plan.

Any cash payment provided under this section shall be reported to the Internal Revenue Service (IRS) and the California Franchise Tax Board as compensation

subject to income tax withholding. Each employee shall be solely and personally responsible for any tax liability that may arise out of receipt of the alternative benefits provided under this Section. The amount of alternative benefit amount provided to an employee is based on the level of insurance coverage that the employee could have received if he or she had enrolled in a City-sponsored health insurance plan, as follows:

Employee only.....	\$210.00 per month
Employee and one dependent.....	\$380.00 per month
Employee and two + dependents.....	\$500.00 per month

For the purpose of this Section, the term "dependent" shall mean a dependent eligible for coverage under a CalPERS medical insurance plan if such coverage had otherwise been elected by the employee.

- B. Enrollment in alternative benefits has to be elected each year during open enrollment. Benefit eligibility and alternative benefit amounts may vary from year to year depending on plan premiums.
- C. The provisions of this Section shall be administered in accordance with regulations issued by the City Manager or designee which shall include, but not be limited to: the method and frequency of reimbursement to employees for the alternate benefits program(s) selected, the frequency with which employees may exercise the option to change alternate benefits programs, and appropriate procedures for the verification of payments made in pursuance of this Section.

7.05 Supplemental Retirement Benefit

Employees who retire from the City with at least ten (10) years of continuous City service are eligible to receive a supplemental retirement benefit. This benefit shall be equal to \$274.72, less the amount provided for under the Section 7.01 above. This supplemental benefit is provided in the form of cash to the retiree on a monthly basis. In order to receive this benefit, the employee must begin receiving pension benefits within one hundred twenty days (120) of leaving City employment, and be enrolled in a CalPERS sponsored healthcare plan as a retiree of the City of Hayward. Retirees are solely responsible for any tax consequences associated with the receipt of benefits under this Section.

7.06 Dental Insurance

The City shall contribute towards dental insurance premiums for full-time employees, other than temporary and provisional employees, and their eligible dependents. The City's contribution on behalf of an eligible employee participating in a City-sponsored dental plan shall be equal to eighty percent (80%) of the monthly premium for dental insurance, as determined by the employee's enrolled participation level in the City sponsored dental plan. Employees enrolled in dental insurance are required to contribute the remaining twenty percent (20%) of the premium costs for dental insurance coverage.

Monthly premium rates are established on a calendar year basis by the insurance provider, or in the case of a self-funded plan, by a third party examining plan utilization review, market trends, overall plan costs, and any other industry standard metrics deemed necessary by the third party.

Currently, the City provides insurance through a Delta Dental plan which includes the following: 100% payment of diagnostic and preventative services (exempt from deductible); 80% payment for other basic services, crowns, and cast restorations; 70% payment for prosthodontics; 50% payment for orthodontics (adults and children). Deductibles each calendar year shall be \$25 per person with a maximum of \$75 per family. Maximum benefit payments shall be \$2000 per year for each patient except for orthodontics which shall carry a \$2,500 lifetime maximum benefit per patient.

The City reserves the right to provide dental care benefits under a plan or through a carrier of its choice. Alternate coverage may be provided through a consortium of public agencies or private employers which may be formed for the purpose of providing dental care benefits for employees; or through a program of self-insurance. In the event the City exercises this option the alternate coverage shall be substantially equivalent to the coverage in effect at such time as a change in carriers takes effect.

7.07 Life Insurance

The City shall pay the entire cost of providing each regular and probationary employee with fifty thousand dollars (\$50,000) group term life insurance with said policy to include accidental death and dismemberment coverage, and the right to conversion at the time of termination of employment to a form of permanent coverage without medical restrictions. Part-time employees who consistently work twenty (20) or more hours per week shall be eligible for twenty-five thousand dollars (\$25,000) City paid group term life insurance coverage following sixty (60) consecutive days of employment.

7.08 Medical, Dental, Vision and Flexible Benefits for Certain Part-Time Employees

Employees who are hired in a part-time status and full-time employees who voluntarily assume part-time status shall be entitled to participate in group medical and dental insurance programs, and to receive a payment from the City to be applied to such plans subject to the following conditions:

1. Except as provided in Section B below, only those employees hired into positions budgeted for twenty (20) or more hours per week shall be entitled to coverage under group medical and dental plans.
2. The City's contribution towards for part-time employees who are eligible to participate in a CalPERS health insurance plan as an "employee" shall be proportionate to that amount provided for full-time employees in Sections 7.01 of this Memorandum of Understanding.
3. The City will provide those part-time employees who regularly work more than twenty (20) hours per week (at least a 0.5 FTE) with a Flexible Benefit Allowance.

The amount of any allowances provided shall be determined in accordance with the formulas provided in Section 7.02, except that the sum of the contribution provided to a part-time employee who works more than twenty (20) hours per week under Section 7.01 plus the amount provided as a Flexible Benefit Allowance shall be based on the total number of hours worked each month by the part-time employee.

For new employees, the amount of City contribution for medical insurance shall be based upon the employee's estimated work schedule during the first month of coverage. Thereafter, the actual number of hours worked by the employee each month shall be used to determine the amount of City contributions towards medical insurance premiums in the month next following. Except that, the amount provided shall never be less than the amount required by applicable government code.

4. The amount of the City's payment for dental insurance shall be proportionate to the amounts paid on behalf of full time employees as specified in Section 7.06 of this Memorandum of Understanding. The calculation of proportionate payments shall be in accordance with the provisions of paragraph three (3) of this section.
5. The amount of the City's payment for vision insurance shall be proportionate to the amounts paid on behalf of full-time employees as specified in Section 7.09 of this section. The calculation of proportionate payment shall be in accord with the provisions of paragraph three (3) of this section.
6. The amount of the City's payment for alternate benefits shall be based upon scheduled hours of work and shall be proportionate to the amounts paid on behalf of full-time employees as specified in Section 7.04 of this Section. The calculation and proportionate payments shall be based upon the hours budgeted for the position.

As an exception to the foregoing, full-time employees who become part-time employees as a result of a City imposed reduction in hours will continue to receive City payment of medical and dental insurance premiums and will continue to participate in the Flexible Benefits plan on the same basis as for full-time employees.

Parties agree to revisit this section for discussion and impacts of ACA once parties have an understanding of ACA laws.

7.09 Vision Care

The City shall contribute toward vision care insurance for full-time employees, other than temporary and provisional employees and their eligible dependents. Currently, the City provides vision coverage through VSP, under a plan that provides for a fifteen Dollar (\$15.00) deductible, an eye examination, lenses, and frames once per year. The cost of the monthly premium shall be shared equally (50/50) between the employee and the City.

Monthly premium rates are established on a calendar year basis by the insurance provider, or in the case of a self-funded plan, by a third party examining plan utilization review, market trends, overall plan costs, and any other industry standard metrics deemed necessary by the third party.

The City reserves the right to provide vision care benefits under a self-funded plan or through a carrier of its choice. Alternate coverage may be provided through a consortium of public agencies or private employers which may be formed for the purpose of providing vision care benefits for employees, or through a program of self-insurance. In the event the City exercises its option to move to a self-funded plan or to change insurance carriers, any new benefit plan shall provide coverage that is substantially equivalent to the coverage available at the time this option is exercised.

7.10 Deferred Compensation

A Deferred Compensation Plan has been established for the benefit of City employees. Employees may contribute to the Plan as provided by the Plan terms.

Except for those changes which are necessary or desirable to obtain or maintain the favorable tax status of the plan, any changes in the written plan document governing the implementation and administration of the Deferred Compensation Plan adopted by the Hayward City Council on May 12, 1981, with respect to termination or modification of the plan will be jointly decided upon by the Administrative Committee as defined in Section 13.00 of the plan document.

Such Program shall offer confidential counseling services to eligible bargaining unit employees and their eligible dependents, subject to a ten (10) session limitation per fiscal year.

Participants will be responsible for any claims service charge. Participants in the Plan may annually deposit up to a maximum of \$2,550 for medical expenses and \$5,000 for dependent care into the Plan. Each employee shall be solely and personally responsible for meeting provisions and requirements set forth in the regulations of Section 125 Plan and the Plan Administrator.

Each employee shall file an election in writing during the month of open enrollment each year designating how much they would like to contribute to his or her Flexible Spending Account. Thereafter, no changes to designations so made shall be allowed until the enrollment of the following year, except for changes due to an eligible qualifying event.

8.00 SALARY ADMINISTRATION

8.01 Salary Administration Policy

The policy governing preparation of a compensation plan shall be that of salary standardization.

8.02 Salary at Time of Employment

The Plan may provide a flat salary rate or a salary range for each classification with a minimum, maximum, and one or more intermediate steps. The beginning or normal hiring rate shall usually be at the first step of the range. Every new employee shall be paid the first step on employment except that the City Manager or designee may authorize employment at a higher step if the labor supply is restricted or the person to be hired is unusually well qualified.

8.03 Eligibility for Advancement in Pay

Employees may be advanced to higher steps as merited by progressive improvement in job skills and work performance. The following time-in-step requirements shall normally apply for an employee to be eligible for advancement in pay.

<u>Step</u>	<u>Time-in-Step</u>
A	6 months
B	12 months
C	12 months

D 12 months

E ---

If warranted for the good of the service or when an employee demonstrates outstanding capacity in performing duties, employee may be advanced prior to completion of the above time-in-step requirements. No early advancement may be made for an employee in a probationary status.

If the first day of the time in step period begins in the first five (5) days of the payroll period, then time in step shall begin with the start of the payroll period. Advancement in pay, when approved, shall be effective at the beginning of that pay period. If not, then time shall begin on the first day of the next payroll period.

Advancement in pay when approved shall be effective at the beginning of the first pay period immediately following completion of the time-in-step requirement outlined above. If an employee is on leave without pay for more than one (1) month, the period shall be deducted from the accumulated time-in-step.

8.04 Attaining Advancement

An employee must demonstrate that advancement is merited on the basis of job performance. Advancement shall not be made solely because an employee is eligible according to time-in-step requirements. Good attitude and personal conduct, work accomplished, conscientious attendance, safety alertness, efforts at self-improvement, positive customer service, and other factors of individual achievement must be evident as appropriate to the position. The City Manager or designee shall be notified by the Human Resources Director or designee of an employee's approaching eligibility for step advancements.

8.05 Use of Performance Ratings in Determining Whether Step Advancement Is Merited

Performance ratings shall guide supervisors and Department Director in determining whether step advancements have been earned and should be recommended to the City Manager. Performance ratings shall also serve as a means whereby an employee may benefit from a regular review of his or her performance by his or her immediate supervisor for: A. clarifying the supervisor's and the employee's expectations regarding job performance; B. reviewing the employee's performance of duties assigned and noting deficiencies requiring improvement or recognizing exemplary performance; and C. establishing employee developmental goals in appropriate career or performance areas.

8.06 Withholding Step Advancements

Department Directors or their designees shall keep their employees informed about their job performance, giving good work its proper recognition and deficient work guidance and assistance toward improvement. An employee's supervisor or manager shall notify the employee in writing at least sixty (60) days prior to the employee's time-in-step eligibility for a merit step advancement that the employee has thus far not

earned the increase based on some or all of the factors listed in Section 8.04. The notice shall objectively identify the employee's deficiencies and further identify the specific improvement(s) that the employee must achieve to earn a merit step increase. The supervisor or manager shall provide a copy of this sixty (60) day notice to the Human Resources Director. The notice shall be placed in the employee's personnel file along with any written response from the employee. The notice is not subject to appeal. The employee shall receive the merit step increase if the supervisor or manager does not provide the written notice to the employee at least sixty (60) days prior to the merit step increase due date.

If an employee does not meet the objectives described in the sixty (60) day notice, the employee's Department Director or designee shall have the authority and responsibility to recommend to the City Manager that the City withhold the merit step advancement from the employee. Denial of a merit step increase is not grievable under Section 15.00.

However, an employee denied a merit step advancement may request a meeting with the Human Resources Director or designee. The request must be made in writing (email is preferred) by the employee and submitted to the Human Resources Director within five (5) working days of the denial of the merit step increase. The meeting shall occur within thirty (30) days of the denial of the merit step increase. During the meeting, the employee may have a Union representative of his or her choice. The employee and/or Human Resources Director or designee may require the presence of the supervisor or manager who denied the merit step increase. The Human Resources Director or designee may conduct whatever additional review of the matter that he or she deems necessary to assess the employee's denial of the merit step increase.

8.07 Change in Pay Upon Promotion

When employees are promoted, they shall receive the first step in the salary range for their new position or the step which is at least four and a half percent (4.5%) greater than their current compensation, whichever is greater. In no event will an employees' salary be set at a rate that exceeds the range applicable to the employees' new classification. When recommended by the Department Director and approved by the City Manager, additional advancement may be granted.

An employee promoted to a higher position who, at the time of promotion is serving in such position in an acting or provisional status, may have all or a portion of the time continuously served in acting or provisional status credited towards satisfaction of the probationary period for the position, in accordance with Section 2.03. Any amount of time credited will also be credited toward the employee's time-in-step requirement for a merit increase in the newly promoted position. Credit allowed for this purpose, if any, shall be at the sole discretion of the Department Director, and shall not affect the employee's effective date of regular status in the promoted position.

8.08 Change in Pay Upon Demotion

When employees are demoted they shall be placed in a salary step in their new class which is the same as or above the step held prior to demotion providing said demotion is not the result of disciplinary action.

8.09 Change in Pay Upon Reclassification

When a position is reclassified to a classification with a higher pay range, and the incumbent employee retains the position, that employee shall receive the first step in the new salary range or be placed on a step that represents a salary increase of a minimum of five percent (5%) added to base salary whichever is greater. However in no case shall the increase be greater than the fifth step of the range of the new classification to which the employee is reclassified. When recommended by the Department Director and approved by the City Manager, additional advancement may be granted. If no change in salary is granted, the employee may be allowed to carry forward time-in-step accumulation.

In the event the City reclassifies a position from a lower level classification to a higher level classification, the City Manager may in his or her sole discretion appoint the incumbent occupying such reclassified position without competitive examination providing said incumbent meets the minimum qualifications (employment standards) for the higher classification. The Union shall be notified of appointments made pursuant to this provision.

When a position is reallocated to a classification with a lower salary range, the incumbent employee shall not be reduced in pay while he or she continues to occupy the position. If the current rate is below the maximum step of the new range the employee shall continue at the present salary and carry forward time-in-step accumulation. If the current rate exceeds the maximum step of the new range, the salary shall be frozen at its current level. When the incumbent leaves the position, a replacement shall normally be hired at the beginning rate.

8.10 Acting Pay

Employees may be assigned to perform the duties of a higher classification on an "acting" basis when in the judgment of the Department Director or designee a need exists for work to be performed in such classification. An acting assignment shall only be made by the Department Director or designee at the beginning of the work shift, and employees designated to receive "acting" pay shall be provided with a written notice assigning him/her to perform in the higher classification on an acting basis.

Employees assigned in accordance with the foregoing to perform the duties of a higher classification on an acting basis for at least one (1) work-week shall receive "acting pay" retroactive to the first day of such assignment. Work-week shall be defined as follows: Three/twelve (3-12) work schedule is three (3) days; four/ten (4-10) schedule is four (4) days; and five/eight (5-8) work schedule is five (5) days. All days for assigned schedule must be worked to qualify for acting pay. Holidays or leaves occurring during the first work-week do not count toward days worked.

An employee qualifying for "acting" pay shall receive the salary step of the higher classification which represents an increase over the employee's present salary step. If the closest step in the "acting" classification is not equal to at least five percent (5%) above his or her current step, except that the total rate paid (base salary plus any percentage increase) for work performed in "acting" assignments shall not exceed the top of the salary range for the higher class. Work assignments shall not be changed

for the sole purpose of evading the requirement of providing acting pay to an employee who would otherwise be eligible.

Employees who qualify for "acting pay" shall be compensated at their "acting pay" salary level during periods of approved leave with pay which occur while they would otherwise be performing the duties of the higher classification in which they are "acting" but for being on such approved leave with pay. In the event an employee performing such acting assignment is absent from work because of illness or injury for more than five (5) consecutive days, the City in its sole discretion may terminate the employee's acting assignment designation along with the acting assignment pay.

An employee who is receiving "acting" pay by reason of assignment to a position in the Management Unit shall not be entitled to receive overtime compensation during such period of assignment for overtime work involving the performance of duties associated with the "acting" position. If such employee is required to perform overtime work in the performance of duties related to his or her regular position, the employee shall be entitled to receive overtime compensation based on the rate of pay for the regular position.

8.11 Working Out-of-Class Pay

Employees may be assigned to perform the duties of a higher paid classification when the incumbent is not available for that work shift. An Out-of-Class assignment shall only be made by the supervisor or Department Director or his or her designee at the beginning of the work shift.

An employee assigned Out-of-Class work shall receive five percent (5%) differential pay for all hours worked in the higher classification.

8.12 Special Assignment Positions

Special assignment positions within a classification may be established where duties and responsibilities are of a specialized nature by comparison to other positions in the class or the duties and responsibilities in the class specification. Selection of employees to said positions and removal from those positions shall be made by the City Manager or designee upon recommendation of the Department Director. An employee so assigned shall receive additional pay equal to five percent (5%) of the employee's present salary.

8.13 Flexibly Staffed Classifications

The job duties of employees hired into flexibly staffed classifications within this unit shall be formally evaluated no later than eighteen (18) months from date of appointment to the classification to determine whether duties performed justify a reallocation to the higher level of the flexibly staffed classification. Such evaluations may be performed by the supervisor(s) in conjunction with Human Resources Department staff and recommendations for advancement shall require approval of the City Manager or a designated representative.

9.00 SALARIES

12.00 VACATIONS

12.01 Vacation Leave Policy

Vacation leave is a benefit and the use of same shall be approved by the Department Director or designee, taking into account the desires and seniority of employees and, more particularly, the workload requirements of the department. Employees shall take vacation leave regularly each year and shall be encouraged to take vacation at least a full week at a time. In order to give effect to this policy and to realize the greatest benefit from vacation leave for both employees and the City, limitations shall be placed upon the amount of unused vacation leave an employee is allowed to accumulate.

If an employee exhausts his or her vacation leave, the City will use any accrued compensatory leave balances. If an employee exhausts all eligible leave balances (excluding sick leave), the employee will be placed on authorized leave without pay. No vacation leave accruals will be credited in advance. No vacation leave will be earned while on an unpaid leave.

If vacation leave is used to remain in a paid status while on approved leave for Family Medical Leave Act/California Family Rights Act or Pregnancy Disability Leave, the vacation hours will run concurrently with the State and/or Federal leave entitlement.

12.02 Vacation Leave Allowance for Full-Time Employees

All full-time employees other than temporary and provisional shall accrue vacation leave benefits each payroll period based upon the number of regularly scheduled hours.

Vacation accrual schedule for employees who are budgeted and work full-time are as follows:

Years of Service	Per 80 Hr. Period	Hourly Equivalent	Annual
Up to 5 yrs.	3.08 hrs.	.0385 hrs.	80 hrs.
From 5 to 9 yrs.	4.62 hrs.	.0578 hrs.	120 hrs.
From 10 to 19 yrs.	6.16 hrs.	.077 hrs.	160 hrs.
From 20 yrs.	7.70 hrs.	.0963 hrs.	200 hrs.

Beginning January 1, 2015, an employee will accrue at the next highest benefit level on his or her corresponding anniversary date.

For purposes of crediting service time for vacation accruals, a former employee who is reinstated within one (1) year from the date of his or her separation in a probationary or regular appointment, shall receive credit for his or her prior service time. No service time on a temporary, provisional or contracted appointment shall be credited.

Vacation leave can be accrued but shall not be granted during the first six (6) months of service. The increases in vacation leave allowance shall be granted on the basis of full-time, continuous service. An approved leave of absence shall not constitute a break in service for the purpose of this Section, but vacation leave shall not be earned during any period of unpaid absence.

Vacation is accrued for all regular hours worked and shall continue to be earned during other authorized leaves with pay. When a holiday falls during an employee's absence on vacation leave, it shall not be deducted from employee's accrued leave.

The maximum vacation accrual cap shall be twice the employee's annual rate. The vacation accrual cap shall be maintained on a continuous per pay period basis. Exceptions may be permitted on approval of the Department Director and the City Manager. In granting such exceptions the City Manager may specify a time within which such excess vacation leave must be used. Failure to use such excess vacation leave within the time specified by the City Manager shall cause no additional vacation leave to accrue. It shall be the responsibility of each employee to insure the full use of vacation leave credits received by scheduling the necessary time off each year.

12.03 Vacation Accrual for Permanent Part-Time Employees

Only those employees hired into positions budgeted for twenty (20) or more hours per week and who consistently work twenty (20) or more hours per week shall be eligible for vacation leave.

Notwithstanding the foregoing, employees who are hired in part-time status and full time employees who assume part-time status shall accrue vacation benefits each payroll period based upon the total number of hours for which the employee was compensated in the payroll period. In order to be eligible for this benefit employees must consistently work a half-time schedule or more. The amount of vacation so accrued shall be proportionate to that earned by full time employees in the same payroll period. The vacation accrual schedule specified in Section 12.02 of this Memorandum of Understanding will be used for purposes of prorating vacation leave.

Vacation leave can be accrued but shall not be granted during the first six (6) months of service. Vacation is accrued for all regular hours worked and shall continue to be earned during other authorized leaves with pay.

The use of vacation shall be subject to the provisions of Section 12.01, 12.02, 12.03, 12.04 and 12.05 of this Memorandum of Understanding. The vacation accrual cap shall be maintained on a per pay period basis. Exceptions to the foregoing may be permitted pursuant to the provisions of Section 12.02 of this Memorandum of Understanding. The maximum vacation accrual cap shall be twice the employee's annual rate.

13.01 Sick Leave Policy

Sick leave is a paid leave. Sick leave shall be allowed in case of an employee's bona fide illness or injury, or for an employee's doctor/health appointments. Sick leave shall be approved by the Department Director or a designated representative.

Employees shall whenever possible make appointments for medical, dental, and other health and wellness purposes on non-work time. If this is not possible, sick leave may be used for these purposes and should not exceed four (4) hours except in unusual circumstances.

In addition to the foregoing, sick leave may be used as family sick leave to care for an ill or injured family member or to take a family member to a doctor appointment. A family member is a child, parent, spouse, registered domestic partner, or the child of a registered domestic partner as defined by California Labor Code 233. For family members who reside in the employee's home, there is no limit on the amount of sick leave that can be used as family sick leave by full time or part-time employees. For family members who reside outside of the employee's home, up to half of his or her annual sick leave accruals per calendar year may be used as family sick leave by full-time employees. Part-time employees are allowed to use up to half of his or her annual sick leave accruals (based on his or her budgeted work schedule) per calendar year as family sick for family members who reside outside of the employee's residence.

If an employee exhausts his or her sick leave, the employee may apply for another eligible paid or unpaid leave as provided for in this Memorandum of Understanding. If no other leave is approved, the leave will be documented as Unauthorized Leave Without Pay. No sick leave accruals will be credited in advance. Sick leave will not be earned while on an unpaid leave.

If sick leave is used for purposes that qualify under a State or Federal leave law, such as Family Medical Leave Act/California Family Rights or Pregnancy Disability Leave, the leave taken will count toward the State or Federal leave entitlement. If an employee is unable to return to work and has exhausted all of his or her leave entitlements, the employee may be retired for disability or separated.

13.02 Sick Leave Accruals for Full-Time Employees

All full-time employees other than temporary and provisional shall accrue sick leave benefits each payroll period based upon the number of hours the employee is entitled. The full time sick leave accrual rate is 3.7 hours per payroll period. After an absence is approved as sick leave, it shall be deducted from an employee's leave balance. Employees shall earn sick leave credits in accordance with the foregoing schedule from their initial date of employment and shall be entitled to the use of sick leave upon commencement of employment. There shall be no limit upon the number of hours of unused sick leave which may be accumulated by an employee.

13.03 Sick Leave Accruals for Part-Time Employees

Part-time employees who are regularly scheduled to work twenty (20) or more hours per week shall be entitled to accrue sick leave benefits each payroll period based upon the total number of hours for which the employee was compensated in the payroll period. The amount of sick leave so accrued shall be proportionate to that earned by full-time employees based on the number of hours worked by the part-time employee. The full-time sick leave accrual rate is 3.7 hours per payroll period.

The use of sick leave so earned by part-time employees shall be subject to the provisions of this Memorandum of Understanding. Eligible part-time employees who are scheduled to work, but who are unable to do so because of illness, shall be charged sick leave in an amount equal to the number of hours of work for which they were scheduled on the day(s) they were unable to work due to illness.

Sick leave can be accrued and granted during the first three (3) months of service. Sick leave is accrued for all regular hours worked and shall continue to be earned during other authorized leaves with pay.

There shall be no limit upon the number of hours of unused sick leave that may be accumulated by an employee. Upon separation of employees, sick leave balance for which payment has not been made shall be canceled, but shall be restored if a former employee is reinstated within two (2) years of separation.

13.04 Sick Leave Notice and Certification

A. Procedure for Compensation

In order to receive compensation while absent on sick leave, the following procedures shall apply:

1. Employees assigned to continuous shifts in the Wastewater Treatment Plant, or someone on their behalf, shall notify their supervisor at least two (2) hours prior to the commencement of their scheduled shift whenever they will be unable to report for said shift due to illness, injury or unforeseen emergency.
2. All other employees shall notify their supervisor or designated representative prior to the commencement of their scheduled shift, whenever they will be unable to report to work due to illness, injury or unforeseen emergency.

Department Directors may waive these requirements upon presentation of reasonable excuse by the employee.

Employees shall file a personal affidavit or physician's certificate with their supervisor if required by their Department Director or his or her designee, stating cause of absence. After five (5) working days' absence, the employee's supervisor may require a physician's certificate. If employees become ill while on vacation, periods of illness may be charged to sick leave upon presentation of a physician's certificate. In case of frequent use of sick leave employees may be requested to file physician's certificates for each illness, regardless of duration, after having been counseled about their use of sick leave. A physician's certificate needs to include the name and signature of the attending physician, the date and time the employee was seen by the physician. Employees may also be required to take an examination by a physician designated by the City and to authorize consultation with their own physician concerning their illness. Sick leave shall not be granted for absences caused by substance abuse or excessive use of alcoholic beverages. As an exception to the foregoing, sick leave may be authorized for the treatment of alcoholism or substance addiction when such condition has been diagnosed by a competent medical authority.

These same requirements may also be applied for family sick leave requests.

B. Certification as a Result of Concerted Job Action:

In the event the City Manager finds that employee absences from duty are the result of a concerted job action, any employee claiming sick leave with pay shall be

required to provide certification on a form prescribed by the City. Such form shall include but not be limited to the name and signature of the attending physician, the date and time the employee was seen by the physician, and the physician's certification that the illness or injury was of such nature as to prevent the employee from performing his or her job, but disclosure of a specific medical diagnosis shall not be required. A determination by the City Manager that a job action exists, necessitating the sick leave certification procedures required herein, shall be final and not subject to any grievance procedure in effect between the Union and the City. Nothing herein shall prevent a Department Director from approving the payment of sick leave in situations where the employee submits alternative proof of disability satisfactory to the Department Director showing that the employee was unable to work on the date(s) for which sick leave is requested.

13.05 Payment for Unused Sick Leave

Any employee leaving the employment of the City in good standing after having completed twenty (20) years of continuous service, or upon retirement from the City for service or disability, with at least ten (10) years of service, or upon termination of employment by reason of death shall receive payment for a portion of that sick leave earned but unused at the time of separation. The amount of this payment shall be equivalent to one percent (1%) of sick leave earned but unused at the time of separation times the number of whole years of continuous employment times an employee's hourly rate of pay at the time of separation.

That portion of an employee's sick leave balance for which payment is not provided shall be canceled, and shall not be restored if said employee is reinstated.

Employees hired after May 1, 2014 will not be eligible for payouts upon separation as outlined in this Section.

13.06 Sick Leave Records

Sick leave records shall be maintained through the payroll system. After an absence is approved as sick leave, it shall be deducted from an employee's leave balance.

Upon separation of employees, sick leave balances for which payment has not been made shall be canceled, and shall not be restored if a former employee is reinstated.

14.00 MISCELLANEOUS LEAVES

14.01 Bereavement Leave

All full-time employees other than temporary and provisional employees shall be granted bereavement leave with pay for not more than three (3) workdays upon the occasion of the death of a close relative or a domestic partner registered with the City in a manner prescribed by the Human Resources Department. When additional time is desired, employees may be allowed to take accumulated vacation leave or compensatory time off. For the purpose of this Section, a close relative is defined as

any relation of the employee, by blood or marriage, where one or more of the following conditions are present:

- a. The employee will be attending the service of the deceased.
- b. The employee is responsible for or involved with service arrangements and/or estate settlement for the deceased.
- c. The employee's relationship with the deceased was of a close and personal nature such that time is required by the employee to deal with his or her bereavement or to participate in memorial services, either religious or non-sectarian.

When requesting such leave, an employee will be required to certify to the Department Director or a designated representative the conditions for granting bereavement leave have been satisfied. Upon presentation of such a request the Department Director shall determine whether leave shall be granted and in what amount. Additional bereavement leave of two (2) work days for travel purposes not to exceed a total of five (5) work days may be granted by the Department Director when circumstances warrant the same. Part-time employees who work a continuous schedule of twenty (20) or more hours per week shall be granted bereavement leave with pay as necessary on the same basis as full-time employees except that the leave amount shall be prorated based on hours worked not to exceed the number of days provided to full time employees.

14.02 Jury Leave

An employee summoned to jury duty shall inform his or her supervisor and, if required to serve, may be absent from duty with full pay. Any jury fees received by an employee shall be remitted to the City. Employees who are required to appear and testify in court on matters relating to or arising out of their official duties as employees of the City of Hayward shall suffer no loss of pay by reason of such appearance(s).

Any employee scheduled to begin service on a jury three (3) or less hours from the start of their work shift shall not be required to report to work beforehand. Any employee released from jury duty with four (4) or more hours remaining in their scheduled work shift shall then report to work; provided, however, in no event shall this combination of jury duty and work time exceed the total number of hours of the employee's regularly scheduled shift. The City shall afford the employee reasonable travel and meal time in cases where the employee reports to work from jury duty.

An employee who is seated as a juror or alternate juror shall inform the supervisor on or before the day the trial begins of the estimated length of the trial. If an employee is required to serve on jury duty on his or her regularly scheduled days off the City will endeavor to reschedule the days off beginning with the sixth day of a combination jury duty and work duty, provided that such rescheduling does not require the payment of overtime.

14.03 Military Leave

This provision shall be in compliance with all applicable State and Federal laws and is governed per Resolution by the City of Hayward.

14.04 Industrial Injury Leave

For employee injury or disability falling within the provisions of the State Workers' Compensation Disability Act, disability compensation at the rate allowed under said Act shall be the basic remuneration during the employees' period of disability. Compensation under this act will be provided through payroll or the City's third party administrator. Employees may elect to use their own personal paid leave to supplement any worker's compensation benefits received. If any paid leave is used, the employee must contact Human Resources Department and integrate the leave with the temporary disability benefits paid under this Act, so that compensation does not exceed one hundred percent (100%) of an employee's regular pay.

The City reserves the right to withhold payment of any disability benefits until such time it is determined whether or not the illness or injury is covered by Workers' Compensation.

14.05 Leave Without Pay

A Department Director, upon written request of a full-time or part-time employee other than temporary or provisional employees, may grant authorized leave under this provision for a maximum of eighty (80) hours per calendar year. An employee will continue to receive health benefits but is still responsible for any out of pocket expenses. No leave accruals will be earned. If the leave is requested for purposes covered by a State or Federal leave law such as but not limited to School Issues and Activities Leave, the leave will be approved if required by law. If Leave Without Pay is used for purposes that qualify under a State or Federal leave law, such as Family Medical Leave Act/California Family Rights or Pregnancy Disability Leave, the leave taken will count toward the State or Federal leave entitlement. If an employee is unable to return to work and has exhausted all of his or her leave entitlements, the employee may be retired for disability or separated.

The employee may be required to deplete his or her paid leave balances before requesting this leave.

14.06 Leave of Absence

The City Manager, upon written request of a full time employee other than temporary and provisional employees, may grant for the good of the service a leave of absence without pay for a maximum period of one (1) year. The City Manager may grant an extension of an approved leave of absence without pay for an additional period, said extension not to exceed one (1) year. Leaves hereby authorized shall include medical leaves, educational leaves, parental leaves, and leave for any other purpose promoting the good of the service. Part-time employees are eligible for leaves of absence on a pro-rata basis (e.g., half-time employees are eligible for one-half the leave of absence duration of a full time employee).

Requests for parental leave of six (6) months or less shall be approved unless the granting of such leave is deemed to work hardship upon the City. Upon request of the employee and approval of the City Manager, up to six (6) additional months of unpaid parental leave of absence may be granted for a total not to exceed twelve (12) months.

Whenever granted, leaves of absence shall be in writing and signed by the City Manager. Upon expiration of such a leave, the employee shall be reinstated to the position held at the time leave was granted. Failure of the employee to report promptly at its expiration or within a reasonable time after notice to return to duty, shall terminate his or her right to be reinstated.

All eligible paid leaves must be depleted before this leave is taken. If Leave of Absence is used for purposes that qualify under a State or Federal leave law, such as Family Medical Leave Act/California Family Rights or Pregnancy Disability Leave, the leave taken will count toward the State or Federal leave entitlement. If an employee is unable to return to work and has exhausted all of his or her leave entitlements, the employee may be retired for disability or separated.

No benefits will be provided during this period except as provided below. Health coverage may be continued but at the employee's own cost in concurrence with COBRA laws. Employees who are out on a bona fide work related injury or illness or who are waiting for a determination on his or her CalPERS disability retirement application, will be placed on a Leave of Absence. However, employees on workers' compensation or waiting for a CalPERS disability retirement determination will continue to receive health benefits but are still responsible for any out of pocket expenses.

Employees on SDI or Workers' Compensation should contact the Human Resources department to determine if a medical leave is necessary to ensure their job rights.

14.07 Absence Without Leave

Upon approval of the City Manager or his or her designated representative, a time bank may be established for the benefit of an employee who is incapacitated by a catastrophic illness or injury. The intent of this program is to assist catastrophically ill or injured employees who have exhausted all available paid accruals to maintain paid status as long as possible. Catastrophic injury or illness is defined as a medically certified, severe and disabling non-industrial condition resulting in an employee's inability to work. Employees may submit requests to donate earned vacation and/or compensatory time on a voluntary basis subject to the conditions listed below.

- a. Employees initially eligible to receive leave contributions must have exhausted all other leave balances available including earned vacation, earned sick leave and accrued compensatory time.

- f. Donating employees may not reduce their balance of earned vacation below eighty (80) hours by reason of such donations.
- g. Recipient employees shall be credited with up to forty (40) hours of donated time upon return to work, provided that sufficient hours remain in pledge status during

the pay period immediately preceding the return to work date. All undonated, pledged hours exceeding forty (40) shall be returned to the respective donor(s).

This provision shall also allow the use and donation of catastrophic leave to employees who need paid time off to care of a catastrophically injured or ill dependent. The use of this leave is limited to a one (1) year period for establishment of any Catastrophic Injury/Illness Time Bank. Records of any paid benefit provided to the employee for time off to care for his or her dependent must be provided by the employee to Payroll for integration with catastrophic leave.

Employees can donate paid leave to an employee who has a dependent with a catastrophic injury/illness under the same terms and conditions as for an employee who has a catastrophic injury/illness.

Employees can utilize catastrophic leave for up to a one (1) year period. The period starts for the first day of use of catastrophic leave. For example, if catastrophic leave starts on July 1, 2010, it can only be used up until June 30, 2011. Leave can be taken on an intermittent basis if approved by the City Manager or designee but will not exceed catastrophic leave usage past the one (1) year leave period.

Any leave used for purposes that qualify under a State or Federal leave law, such as Family Medical Leave Act/California Family Rights Act/Pregnancy Disability Leave, will count toward any State of Federal leave entitlements. If an employee is unable to

return to work and has exhausted all of his or her leave entitlements, the employee may be retired for disability and/or separated.
