Alexis Villal... to Hosts and panelists 07:4

AB 481 says the policy requires "mechanisms to ensure compliance with the military equipment use policy, including which independent persons or entities have oversight authority, and, if applicable, what legally enforceable sanctions are put in place for violations of the policy." -- Can you talk specifically about the _INDEPENDENT PERSONS OR ENTITIES WITH OVERSIGHT AUTHORITY_?

Thank you Deputy Chief Matthews and Chief Chaplin for all the clarification, reassurance on different situations and how police uses these equipment. Thank you McAdoo for facilitating.
