Hayward Police Department to release Community Briefing including body-worn camera video footage of officer-involved shooting

HAYWARD, Calif., Feb. 1, 2018—The Hayward Police Department plans to release at 12:30 p.m. today a Critical Incident Community Briefing video regarding the officer involved shooting that occurred on Nov. 15, 2018, HPD report number 2018-94542.

The video will contain police officer body-worn camera video and additional information regarding the incident. You will be able to locate this Community Briefing at www.hayward-ca.gov/critical-incident.

Additional body-worn camera video footage will be released pursuant to California Public Record Act requests at a later date.

Our Chief of Police will also be available today from 1 p.m. to 4 p.m. for any news media inquiries related to today's public release. Media requests can be made at our designated PIO line at (510) 293-7064.
